Re: U.S. Application No.: 09/866,865
U.S. Filing Date: May 29, 2001
Title: Automated Exchange for Determining Availability of
Assets Shareable among Entities
Inventor: Thomas F. Doyle
Our Docket No.: 2293.2008-000

Dear Mr. Doyle:

Enclosed please find another Declaration/Power of Attorney form for review and signature which was originally sent to Terion, Inc. on June 6, 2001. THESE DOCUMENTS ARE DUE FOR FILING BY SEPTEMBER 30, 2001.

Please note that the Declaration requires that the inventor carefully read the patent application. If the application is acceptable, including the inventorship, please sign and date the Declaration in BLUE ink. The inventor should also verify that his typed name, address and citizenship is correct. If there is an error on the form, it may be corrected in blue ink. Any such changes should be initialed and dated in the margin by the inventor. Optionally, you may return the document to me with the necessary changes indicated, and I will prepare a corrected document for signature. If you have any concerns or questions regarding the application or inventorship, please call me immediately.

Also enclosed is another Assignment form in which the inventor assigns rights to the invention described therein to **Terion, Inc.**. The Assignment should be signed by the inventor in BLUE ink in the presence of a Notary Public.

ASSIGNMENT

WHEREAS, I, **Thomas F. Doyle**, have invented a certain improvement in **Automated Exchange for Determining Availability of Assets Shareable Among Entities**, described in an application for Letters Patent of the United States, the specification of which:

- ☐ is being executed on even date herewith and is about to be filed in the United States Patent Office;
- ☒ was filed on **May 29, 2001** as Application No. **09/866,865**;
- ☐ was patented under U.S. Patent No. ☐ on ☐.

WHEREAS, **Terion, Inc.** (hereinafter "ASSIGNEE"), a corporation organized and existing under the laws of the **State of Delaware** and having a usual place of business at **420 N. Wickham Road, Melbourne, Florida 32935** desires to acquire an interest therein in accordance with agreements duly entered into with me;

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned and transferred and by these presents do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, the entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to said invention as described in said application, together with the entire right, title and interest in and to said application and such Letters Patent as may issue thereon; said invention, application and Letters Patent to be held and enjoyed by said ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by me had this assignment and sale not been made; I hereby convey all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent. I hereby acknowledge that this assignment, being of the entire right, title and interest in and to said invention, carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all such Letters Patent to ASSIGNEE for its own name as assignee of the entire right, title and interest therein;

AND, I hereby further agree for myself and my executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention to said ASSIGNEE, its successors, assigns and legal representatives, but at its or their expense and charges, including the execution of applications for patents in foreign countries, and the execution of substitution, reissue, divisional or continuation applications and preliminary or other statements and the giving of testimony in any interference or other proceeding in which said invention or any application or patent directed thereto may be involved;

AND, I do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said ASSIGNEE, its successors, assigns, and legal representatives.
